Hypo lowers its Prime rate to 0.20 percent as of 1.3.2018

The Mortgage Society of Finland's bank subsidiary Suomen AsuntoHypoPankki Oy lowers its Prime rate by 0.10 percentage points to 0.20 percent. The decrease is based on the development of general market rates.

The rate change is effective as of 1 March 2018. In practice, only Group's deposits clients with Hypo Prime as the reference rate will be affected.
